

ANTONOV AIRLINES

NO OTHER NAME CARRIES MORE WEIGHT

WWW.ANTONOV-AIRLINES.COM

GLOBAL REACH, PERSONAL TOUCH

For over 25 years, Antonov Airlines has been at the forefront of the outsize and heavyweight air cargo industry. As the first airline to offer the AN-124 commercially, we have honed our capabilities to provide solutions to thousands of global projects. No other airline is named after an outstanding aircraft manufacturer. No other airline can offer a one-of-a-kind aircraft with 242 world records to its name.

No other airline can match payloads ranging from 5,500 kg to 250,000 kg. In short, no other name carries more weight. With dedicated professionals accompanying you and your shipment on the ground and in the air, all supported by an unrivalled technical expertise, Antonov Airlines offers a **GLOBAL REACH** with a **PERSONAL TOUCH** – like no other.

OUR FLEET

Antonov AN-225

Antonov offers the only AN-225. The largest aircraft in the world, able to load single pieces up to 210 tonnes. Holder of 242 world records. Unique and unsurpassed.

Maximum Payload	250,000 kg
Maximum Volume	1,200 CBM
Wing Span	88.4 m
Aircraft Length	84.0 m
Aircraft Height	18.1 m
Cargo Cabin LWH including Ramp	43.3x6.4x4.4 m
Cargo Door WH	45.4x6.4x4.4 m
On-Board Crane	6.4x4.4 m
	30,000 kg lift

Antonov AN-124-100M-150

The mainstay of the fleet and the go to solution when the going gets tough. Now with up to 150 tonnes capacity available only from Antonov Airlines' fleet.

Maximum Payload	150,000 kg
Maximum Volume	1,040 CBM
Wing Span	73.3 m
Aircraft Length	69.1 m
Aircraft Height	21.1 m
Cargo Cabin LWH including Ramp	36.5x6.4x4.4 m
Cargo Door WH	43.7x6.4x4.4 m
On-Board Crane	6.4x4.4 m
	30,000 kg lift

Antonov AN-22

The unique alternative. Large volume from the same cabin height as the AN-124 and AN-225, just as practical with ramp loading and on board cranes yet more economical.

Maximum Payload	60,000 kg
Maximum Volume	550 CBM
Wing Span	64.4 m
Aircraft Length	57.3 m
Aircraft Height	12.5 m
Cargo Cabin LWH including Ramp	26.4x4.4x4.4 m
Cargo Door WH	32.7x4.4x4.4 m
On-Board Crane	4.4x4.4 m
	10,000 kg lift
